MHRA and China
telecon/exercise

18/5/2004

- Flu Vaccine - 6mg Vaccine issues
EMEA revoked license
China license suspended for 3 months
- apparently not reviewed by MHRA
can't release to any markets

MHRA
- EMEA pathway expert (now UK) - non-technical -
- suspended - impact the expert
- suspended licence - supervises expat
- investigatory powers - Liverpool -
- on site - last week
- grounds of lack of scrutiny assurance -!
- appeal right - but cannot do so before 3 months
- won't be able to release any stock

- announce that
  - Senate passes -
- started use of monovalent - switch to bivalent
  - ↳ 4 or 5 patients
  - ↳ end of August - and ~~from latest~~ recently
- bivalent - 10^9 org / mL - pre-th strain
- suspended 10 o'clock flu morning
  - company aware of the problem since April
- current vaccine is not suitable for us -
- Caxen shutting on basis of problem - not taking into consideration the benefit of the vaccine and availability -
- meeting with company tomorrow -
- definitive - will not be any FW vaccine
- temporarily suspend license -
- export provision of UK law to be reviewed -
- unexpected problems -
  - may be considered - under
  - may require add'l considerations

- if unspecified the govt takes - may not release
the press release
- doesn't sound as if there is
a channel -
- reg agency to reg agency - fax 3381
- John Reed - Head - MHRA
- situation - - - has been resolved -
- what has changed? - ANS - in draft press release
was not definitive next week.
- MHRA invoked a ~~first~~ higher principle -
- what about Wales and hospitals -
ANS - contact the distributors -
- distributors have not been notified - suggested
until press release is issued -
MHRA press release is going out now!
