OFFERED BY MR. MEEHAN OF PENNSYLVANIA

Page 8, line 17, strike “may” and insert “shall”.

Page 9, line 17, insert “or physical safety risks” after “hardship”.

Page 11, after line 2, insert the following (and make the necessary technical and conforming changes):

1 “(3) PROCEDURES.—In carrying out conver-
2 sions under paragraph (1), the Postal Service shall
3 establish procedures to—

4 “(A) solicit, consider, and respond to input
5 from the general public, postal patrons, State
6 and local governments, local associations, and
7 property owners which shall include but not be
8 limited to a minimum of a public community
9 meeting prior to the commencement of the con-
10 version of a community, prior to the completion
11 of the conversion of a community and at any
12 point in the process when the District Manager
13 makes a change to the delivery method or the
14 location of centralized delivery points;

1 “(B) calculate and make publicly accessible
2 the cost or savings of the conversion to the
3 Postal Service as well as the average conversion
4 cost or savings to each postal patron and any
5 cost or savings to the State and local govern-
6 ment; and

7 “(C) place centralized delivery points in lo-
8 cations that maximize delivery efficiency, ease
9 of use for postal patrons, and respect for pri-
10 vate property rights.

Page 13, after line 16, insert the following (and
make the necessary technical and conforming changes):

11 “(8) INSPECTOR GENERAL AUDIT.—The Inspec-
12 tor General of the Postal Service shall issue an an-
13 nual audit report on the implementation of the con-
14 version requirement from paragraph (1) not later
15 than 90 days after date on which the Postal Service
16 releases its annual report under paragraph (7). At
17 a minimum, the report under this paragraph shall
18 contain—

19 “(A) an audit of the data contained in the
20 Postal Service’s report under paragraph (7);
21 and

1 “(B) an evaluation of the Postal Service’s
2 implementation of the procedural requirements
3 described in paragraph (3).
