February 27, 2015

Mr. Kevin Counihan
Director and Marketplace Chief Executive Officer
Center for Consumer Information and Insurance Oversight
Centers for Medicare and Medicaid Services
U.S. Department of Health and Human Services
200 Independence Avenue, SW
Washington, D.C. 20201

Dear Mr. Counihan:

On February 26, 2015, you appeared before the Subcommittee on Health Care, Benefits and Administrative Rules. During the hearing, you were unable to respond to certain questions about the second Patient Protection and Affordable Care Act (PPACA) enrollment period. We appreciate your commitment to provide documents and information to address those unanswered questions.

Members of the Subcommittee have outstanding questions as to whether individuals covered by the President's recent actions on immigration can obtain subsidies under the PPACA; whether the Department of Health and Human Services transferred funding from other agencies to supplement the budget of the federal exchange; and whether HHS transferred funds to supplement your office's budget, among others. Your answers to these questions will be especially valuable to the Committee in light of the fact that the Department has not responded to the Committee's February 13, 2015 request for documents and information that would shed light on the automatic re-enrollment process.¹

To assist the Committee with respect to oversight of the implementation of the PPACA, please provide the following documents and information as soon as possible, but no later than March 6, 2015:

¹ Letter from Hon. Jason Chaffetz, Chairman, H. Comm. on Oversight and Gov't Reform, Hon. Jim Jordan, Chairman, H. Subcomm. on Health Care, Benefits and Administrative Rules, and Hon. Mark Meadows, Chairman, Subcomm. on Government Operations, to Hon. Marilyn Tavenner, Administrator, Centers for Medicare and Medicaid Services (Feb. 13, 2015).

1. The date on which the most recent automatic re-enrollment process was completed.
2. The date on which the most recent auto re-enrollment data was sent to insurance companies.
3. The date on which the White House, the Centers for Medicare and Medicaid Services, and HHS received final automatic re-enrollment data.
4. The number of plans in the federal and State exchanges that were available in 2014 and were no longer offered in 2015.
5. The number of consumers who were automatically re-enrolled in a plan for 2015 different from the plan they selected in 2014.
6. The number of consumers who enrolled in a federal or State exchange who live in counties where the benchmark plan changed from 2014 to 2015. Please further specify:
 - a. How many receive subsidies.
 - b. How many were automatically re-enrolled (without taking any action).
 - c. How many enrolled in the benchmark plan in 2014, and remain on the same plan, where that plan is no longer the benchmark in 2015.
7. Any legal analysis conducted referring or relating to the President's immigration action and any potential impact it may have on access to subsidies or programs under the PPACA.
8. All documents and communications referring or relating to funds transferred to your office; in lieu of item 8, please provide a list of all funds transferred to Center for Consumer Information and Insurance Oversight since the inception of the office.

When producing documents to the Committee, please deliver production sets to the Majority staff in Room 2157 of the Rayburn House Office Building and the Minority staff in Room 2471 of the Rayburn House Office Building. The Committee prefers, if possible, to receive all documents in electronic format. An attachment to this letter provides additional information about responding to the Committee's request.

The Committee on Oversight and Government Reform is the principal investigative committee in the U.S. House of Representatives. Pursuant to House Rule X, the committee has authority to investigate "any matter" at "any time."

If you have questions about this request, please contact Sean Hayes or Jennifer Hemingway of the Committee staff at (202) 225-5074. Thank you for your prompt attention to this matter.

Sincerely,

Jason Chaffetz

You should also produce documents that you have a legal right to obtain, that you have a right to copy or to which you have access, as well as documents that you have placed in the temporary possession, custody, or control of any third party. Requested records, documents, data or information should not be destroyed, modified, removed, transferred or otherwise made inaccessible to the Committee.
2. In the event that any entity, organization or individual denoted in this request has been, or is also known by any other name than that herein denoted, the request shall be read also to include that alternative identification.

7. Documents produced in response to this request shall be produced together with copies of file labels, dividers or identifying markers with which they were associated when the request was served.
8. When you produce documents, you should identify the paragraph in the Committee's schedule to which the documents respond.
9. It shall not be a basis for refusal to produce documents that any other person or entity also possesses non-identical or identical copies of the same documents.
10. If any of the requested information is only reasonably available in machine-readable form (such as on a computer server, hard drive, or computer backup tape), you should consult with the Committee staff to determine the appropriate format in which to produce the information.
11. If compliance with the request cannot be made in full by the specified return date, compliance shall be made to the extent possible by that date. An explanation of why full compliance is not possible shall be provided along with any partial production.
12. In the event that a document is withheld on the basis of privilege, provide a privilege log containing the following information concerning any such document: (a) the privilege asserted; (b) the type of document; (c) the general subject matter; (d) the date, author and addressee; and (e) the relationship of the author and addressee to each other.
13. If any document responsive to this request was, but no longer is, in your possession, custody, or control, identify the document (stating its date, author, subject and recipients) and explain the circumstances under which the document ceased to be in your possession, custody, or control.
14. If a date or other descriptive detail set forth in this request referring to a document is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, you are required to produce all documents which would be responsive as if the date or other descriptive detail were correct.
15. Unless otherwise specified, the time period covered by this request is from January 1, 2009 to the present.
16. This request is continuing in nature and applies to any newly-discovered information. Any record, document, compilation of data or information, not produced because it has not been located or discovered by the return date, shall be produced immediately upon subsequent location or discovery.
17. All documents shall be Bates-stamped sequentially and produced sequentially.
18. Two sets of documents shall be delivered, one set to the Majority Staff and one set to the Minority Staff. When documents are produced to the Committee, production sets shall be delivered to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
