Hey Lenny,

I just wanted to shoot you a current copy of the census paper. Earl is currently reviewing, but sounds like it will go to the Secretary over the weekend. Would love to get your thoughts at some point. Feel free to let me know if you think this is sugar coating the analysis too much. Also, I'm not as close to these cases and facts as was Austin--who did a bulk of the good work here--so please let me know if I'm totally off base on something. Really appreciate all of your help--you've been so great to us.

Also, if you could shoot me a digital copy of your timeline today (wherever you've gotten to, no worries if still early 1900s) that would be awesome. I would like to plug in some of those key dates and facts into this paper.

Thank you and happy Friday!

James

Made a couple small edits for clarity. Also, I have not yet sent this to Peter. Just let me know if you want

me to loop him in-- I think he is heading out pretty early today, and I'm tied up 11-1, but maybe we can walk through with him early next week.
