The Honorable Elijah E. Cummings
Chairman
Committee on Oversight and Government Reform
U.S. House of Representatives
Washington, D.C. 20515

Dear Representative Cummings,

Pursuant to my January 11, 2019 response to your January 8, 2019 letter regarding Secretary Wilbur Ross's decision to reinstate a citizenship question on the 2020 Census, enclosed with this letter please find approximately 379 pages of documents responsive to Document Requests 1 through 4 with a privilege log and approximately 1,031 pages of documents responsive to Document Requests 5 through 6.

I look forward to producing a second installment of the requested documents and to begin responding to your questions on February 19, 2019. Please note that the availability of Departmental appropriations on that date may impact this date.

I remain confident that the documents and information you will receive will obviate any need for the Secretary to appear and testify on this topic.

We appreciate the opportunity to assist with your inquiry. If you have any additional questions, please contact me at 202-482-3663.

Sincerely,

Michael Platt Jr.
Assistant Secretary for Legislative
and Intergovernmental Affairs
