The Honorable Mark T. Esper
Secretary of Defense
Department of Defense
1000 Defense Pentagon
Washington D.C. 20301

Dear Secretary Esper:

On Wednesday, March 18, 2020, the Department of Defense (DOD) provided the Committee with a set of classified documents in response to our requests for information related to Karshi-Khanabad (K2) Air Base in Uzbekistan.¹ Specifically, DOD provided copies of three classified environmental hazard surveys and health risk assessments conducted at K2 in 2001, 2002, and 2004, as well as their supporting annexes. We are grateful for your cooperation and the work of your staff on this important matter.

As you know, the Subcommittee on National Security launched this investigation in order to determine whether U.S. servicemembers were exposed to hazardous conditions at K2, which may be contributing to adverse health effects later in life.

We believe the information contained in the 2001, 2002, and 2004 assessments of K2 is relevant to the ongoing treatment and care of these servicemembers, as well as their eligibility for VA disability benefits.

Therefore, we respectfully request that DOD declassify the documents produced to the Committee on March 18, 2020, and prepare them for public release. While we appreciate these documents were classified in order to protect sensitive U.S. national security information at the time they were produced, these assessments are now more than 15 years old and relate to conditions at a base U.S. forces last occupied in 2005. We believe the public interest in the

declassification and release of these documents would not undermine the national security interests of the United States.

Given the exigent circumstances created by the coronavirus pandemic, the Subcommittee is committed to working with you and your staff to develop a phased plan for the declassification and production of these documents to the Committee. To that end, we request that you prioritize the declassification and production of the 2002 follow-up K2 assessment, the initial 2001 survey, and the 2004 pre-closure assessment, in that order, and not including any appendices or annexes. Please contact Committee staff by April 28, 2020, to confirm the Committee's priorities and provide an anticipated timeline for the declassification and production of these documents.

The Committee on Oversight and Reform is the principal oversight committee of the House of Representatives and has broad authority to investigate "any matter" at "any time" under House Rule X.

If you have any questions regarding this request, please contact Subcommittee staff at (202) 225-5051.

Sincerely,

Stephen F. Lynch
Chairman
Subcommittee on National Security

Subcommittee on National Security
