Dr. John M. Abowd
Chief Scientist and Associate Director for Research and Methodology
United States Census Bureau
4600 Silver Hill Road
Washington, D.C. 20233

Dear Dr. Abowd:

Yesterday, President Trump issued a memorandum directing the Secretary of Commerce to exclude undocumented immigrants from the 2020 Census apportionment calculations for the House of Representatives.¹ This action directly violates the Constitution and the laws passed by Congress, and it appears to be a blatant attempt to politicize the 2020 Census, depress participation, and undermine its accuracy. Because the Administration is taking this step in the middle of the ongoing Census, the Committee on Oversight and Reform requests that you appear for an emergency hearing on Wednesday, July 29, 2020.

Background

The President's unconstitutional memorandum comes after the Trump Administration failed in its last attempt to politicize the Census. Beginning in 2017, the Administration attempted to add an unlawful citizenship question to the 2020 Census—a decision that was struck down by the Supreme Court last year. The Administration argued repeatedly—including before this Committee—that the attempt to add the citizenship question was not for the purposes of excluding undocumented immigrants from the 2020 Census apportionment calculations.

Despite these assertions, a study written by a Republican gerrymandering expert who provided input on the Administration's effort to add the citizenship question stated that excluding undocumented immigrants from the redistricting counts "would be advantageous to Republicans and Non-Hispanic Whites."² After this document was made public, the Supreme Court ruled that the Administration's rationale for adding the question was "contrived" and that

the effort to add it was illegal.³ Now, the Administration has dropped all pretense of upholding the Constitution and ensuring a fair, full, nonpartisan, and accurate census and ordered Secretary Ross to exclude undocumented immigrants from the 2020 Census apportionment calculations.

Even prior to the coronavirus pandemic, experts testified to the Committee that the Census Bureau was at risk of failing in critical aspects of Census preparations, which could impact the ability to conduct a complete and accurate count.⁴ Since the outbreak of the pandemic, the Census Bureau has faced serious new challenges. For example, the pandemic has led to repeated delays in Census operations, leading the Bureau to push back its timeline from August 1, 2020, to October 31, 2020.⁵

Request for Hearing Testimony

The decennial census is a cornerstone of our democracy. Article I of the Constitution requires the federal government to conduct a Census every ten years and to count every person in the United States. Article I, Section 2 of the Constitution specifically assigns Congress the authority to direct the census in “in such manner as they shall by law direct.”⁶ Our nation’s laws require that “the President shall transmit to the Congress a statement showing the whole number of persons.”⁷ The Supreme Court has reaffirmed the principle of counting every person.⁸

The President’s memorandum violates these constitutional and statutory mandates and appears to be an attempt to sow confusion, reduce participation, and distort the count in the ongoing 2020 Census. For all these reasons, the Committee on Oversight and Reform requests your testimony at a hearing on July 29, 2020, at 10:00 a.m., in room 2154 of the Rayburn House Office Building.

The enclosed Witness Instruction Sheet provides information for witnesses appearing before the Committee. Please note the procedures for submitting written testimony at least two business days prior to the hearing. Please contact the Committee by July 24, 2020, to confirm your attendance. If you have any questions, please contact Committee staff at (202) 225-5051.
