Dear Secretary Azar and Administrator Verma:

The Committee on Oversight and Reform is requesting information about how the Department of Health and Human Services (HHS) plans to ensure that the uninsured and underinsured are tested and treated for the novel coronavirus known as COVID-19.

Anyone who fears they may have COVID-19 should seek medical attention without hesitation. However, the high cost of medical testing and treatment will prevent many Americans from seeking care, particularly the 45% of adults who are either uninsured or underinsured.¹

A man in Miami reportedly went to the hospital to be checked for COVID-19, and although a routine test revealed that he only had the flu, he received a bill for \$3,270. The man was underinsured. Like many Americans, he had short-term insurance.² The Administration has expanded the availability of short-term insurance plans, which—unlike Qualified Health Plans that must comply with the Affordable Care Act’s consumer protections and coverage requirements—provide limited coverage and do not offer protections for pre-existing health conditions.³

Testing and treatment costs of thousands of dollars will cause many uninsured and underinsured individuals to avoid care for coronavirus-like symptoms. That will not only hurt those who go untreated, but it will also hasten the spread of COVID-19.

To assist the Committee in its evaluation of this matter, please provide the following information by 12:00 p.m., on March 9, 2020:

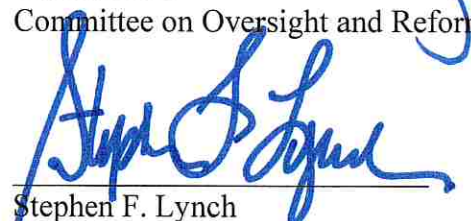

1. A description of HHS's plan to cover testing and treatment costs for uninsured and underinsured individuals relating to the novel coronavirus known as COVID-19;
2. Projected out-of-pocket costs to uninsured individuals of testing for COVID-19 and the course of treatment for infected individuals; and
3. The Department's plans for reducing or eliminating out-of-pocket costs to uninsured and underinsured individuals for testing and treatment for COVID-19, and all sources and amounts of funding.

The Committee on Oversight and Reform is the principal oversight committee of the House of Representatives and has broad authority to investigate "any matter" at "any time" under House Rule X. An attachment to this letter provides additional instructions for responding to the Committee's request. 8. Documents produced in response to this request shall be produced together with copies of file labels, dividers, or identifying markers with which they were associated when the request was served.
9. When you produce documents, you should identify the paragraph(s) or request(s) in the Committees' letter to which the documents respond.
10. The fact that any other person or entity also possesses non-identical or identical copies of the same documents shall not be a basis to withhold any information.
11. The pendency of or potential for litigation shall not be a basis to withhold any information.
12. In accordance with 5 U.S.C. § 552(d), the Freedom of Information Act (FOIA) and any statutory exemptions to FOIA shall not be a basis for withholding any information.
13. Pursuant to 5 U.S.C. § 552a(b)(9), the Privacy Act shall not be a basis for withholding information.
14. If compliance with the request cannot be made in full by the specified return date, compliance shall be made to the extent possible by that date. An explanation of why full compliance is not possible shall be provided along with any partial production.

17. If a date or other descriptive detail set forth in this request referring to a document is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, produce all documents that would be responsive as if the date or other descriptive detail were correct.

18. This request is continuing in nature and applies to any newly-discovered information. Any record, document, compilation of data, or information not produced because it has not been located or discovered by the return date shall be produced immediately upon subsequent location or discovery.
19. All documents shall be Bates-stamped sequentially and produced sequentially.
20. Two sets of each production shall be delivered, one set to the Majority Staff and one set to the Minority Staff. When documents are produced to the Committee on Oversight and Reform, production sets shall be delivered to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2105 of the Rayburn House Office Building.
