The Honorable Julia Frifield
Assistant Secretary for Legislative Affairs
U.S. Department of State
2201 C Street, N.W.
Washington, D.C. 20520

Dear Ms. Frifield:

I understand you declined to appear for an informal briefing with the Committee on Wednesday, September 7, 2016. Your declination to attend this briefing is particularly dismaying, given that as a legislative affairs official, your role is to facilitate the flow of information to Congress. In light of your decision, the Committee has no choice but to convene a hearing on Monday, September 12, 2016, at 5:00 p.m. in room 2154 of the Rayburn House Office Building. We request your testimony at the hearing. If necessary, the Committee will employ compulsory process to ensure your attendance.

The hearing is titled "Classifications and Redactions in FBI's Investigative File." The hearing will relate to the Federal Bureau of Investigation's document productions on August 16 and 17, 2016, regarding its investigation of former Secretary of State Hillary Clinton's use of a private email server for official State Department business. The Committee plans to examine decisions to redact, omit, or classify certain information in the production. You should be prepared to provide a five-minute opening statement and answer questions posed by Members.

This will be a closed hearing and include discussion of classified national security information up to and including information classified SECRET//NOFORN with additional dissemination controls. You and any of your staff attending should pass appropriate clearances to the Office of House Security no later than September 7, 2016. If you have questions, please contact Liam McKenna with the Committee staff at (202) 225-5074.

Sincerely,

Jason Chaffetz
Chairman
