The Honorable Darrell E. Issa  
Chairman  
Committee on Oversight and Government Reform  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Mr. Chairman,

On Thursday, September 18, 2014, the Committee will hold a hearing entitled "Examining ObamaCare's Failures in Security, Accountability and Transparency." The hearing will examine the Administration's implementation of the Affordable Care Act, including the issue of privacy and security of personally identifiable information on HealthCare.gov.

As my office informed your staff earlier today, I request that the Committee invite Ann Barron-DiCamillo, the Director of US-CERT within the Department of Homeland Security, to testify at the hearing. US-CERT leads efforts to improve the nation's cybersecurity posture and manage cyber risks to the nation. As the Director of the office that investigates cybersecurity incidents at federal agencies, Ms. Barron-DiCamillo will be able to provide valuable insight into the nature and frequency of cybersecurity attacks against federal IT systems, as well as US-CERT's investigation of the recent intrusion into HealthCare.gov.

Ms. Barron-DiCamillo has indicated that she is available and willing to testify.

Thank you for your cooperation with this request.

Sincerely,

Elijah E. Cummings  
Ranking Member
