Dear Governor Snyder:

We are writing to request documents relating to the decision to switch the source of drinking water in the City of Flint and the response to the health crisis that has ensued.

The contamination of Flint's drinking water followed decisions to switch Flint away from a contract with the Detroit Water and Sewerage District to a newly-created water authority, and to rely during the transition on water drawn from the Flint River.¹ The Committee has held a hearing on this matter and continues to investigate it.² In order to better understand this issue, please provide the following documents:

- (1) For the period from January 2012 to the present, please provide all documents relating to the drinking water supply in Flint, including the decision to switch Flint's source of water, the Karegnondi Water Authority, and the Detroit Water and Sewerage Department, and including emails sent to or received by:
 - (a) you or members of your staff;
 - (b) former State Treasurers Andy Dillon, Kevin R. Clinton, Nick A. Khouri, or members of their staffs; and
- (2) For the period from April 2014 to the present, please provide all documents relating to the drinking water supply in Flint, public complaints about Flint water quality, test results and testing of Flint water, legionella/legionellosis/

¹ Press Release, City of Flint, State of Emergency Declared in the City of Flint (Dec. 14, 2015) (*available at* <https://www.cityofflint.com/state-of-emergency/>).

² *Examining Federal Administration of the Safe Drinking Water Act in Flint, Michigan: Hearing Before the H. Comm. on Oversight and Gov't Reform*, 114th Congress (2016), *available at* <https://oversight.house.gov/hearing/examining-federal-administration-of-the-safe-drinking-water-act-in-flint-michigan/>.

- (a) Dan Wyant, former Director, Michigan Department of Environmental Quality, or members of his staff; and
- (b) employees of the Michigan Department of Health and Human Services.

Please provide these documents as soon as possible, but by no later than 5:00 p.m. on March 11, 2016. If documents encompassed by this request have been made public previously, they do not need to be produced again to the Committee unless they were made public previously with redactions, in which case they must be produced to the Committee without such redactions.

The Committee on Oversight and Government Reform is the principal oversight committee of the House of Representatives and may at "any time" investigate "any matter" as set forth in House Rule X.

When producing documents to the Committee, please deliver production sets to the Majority staff in room 2157 of the Rayburn House Office Building and the Minority staff in room 2471 of the Rayburn House Office Building. The Committee prefers, if possible, to receive all documents in electronic format. An attachment to this letter provides additional information about responding to the Committee's request.

Please contact William McGrath at (202) 225-5074 of the Chairman's staff and Beverly Britton Fraser of the Ranking Member's staff at (202) 225-5051 with any questions about this request. Thank you for your attention to this matter.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
