The Honorable John F. Kerry  
Secretary of State  
U.S. Department of State  
2201 C Street NW  
Washington, DC 20520

Dear Mr. Secretary:

As the Committee continues its examination of former Secretary Clinton's use of a private email server, and related matters, we require unredacted copies of her calendars. The calendars are important for understanding Secretary Clinton's actions during the period of time in which she withheld federal records from the agency, Congress, and FOIA requesters. I am writing to request the following information:

1. The number of different calendars Clinton or her staff maintained during her tenure as Secretary of State; and
2. Unredacted copies of all of Clinton's public and private calendars and schedules utilized from January 21, 2009 – February 1, 2013.

Please finalize and transmit the Department of State's response to these requests as soon as possible, but not later than October 4, 2016. When producing documents to the Committee, please deliver production sets to the Majority staff in room 2157 of the Rayburn House Office Building and the Minority staff in room 2471 of the Rayburn House Office Building. The Committee prefers to receive all documents in electronic format.

Please contact Shea Bader at (202) 225-5074 with any questions about this request. Thank you for your attention to this matter.

Sincerely,

Jason Chaffetz  
Chairman

Enclosure

cc: The Honorable Elijah E. Cummings, Ranking Minority Member

## Responding to Committee Document Requests

1. In complying with this request, you are required to produce all responsive documents that are in your possession, custody, or control, whether held by you or your past or present agents, employees, and representatives acting on your behalf. You should also produce documents that you have a legal right to obtain, that you have a right to copy or to which you have access, as well as documents that you have placed in the temporary possession, custody, or control of any third party. Requested records, documents, data or information should not be destroyed, modified, removed, transferred or otherwise made inaccessible to the Committee.
2. In the event that any entity, organization or individual denoted in this request has been, or is also known by any other name than that herein denoted, the request shall be read also to include that alternative identification.
3. The Committee's preference is to receive documents in electronic form (i.e., CD, memory stick, or thumb drive) in lieu of paper productions.
4. Documents produced in electronic format should also be organized, identified, and indexed electronically.
5. Electronic document productions should be prepared according to the following standards:
  - (a) The production should consist of single page Tagged Image File ("TIF"), files accompanied by a Concordance-format load file, an Opticon reference file, and a file defining the fields and character lengths of the load file.
  - (b) Document numbers in the load file should match document Bates numbers and TIF file names.
  - (c) If the production is completed through a series of multiple partial productions, field names and file order in all load files should match.
  - (d) All electronic documents produced to the Committee should include the following fields of metadata specific to each document:  
  
BEGDOC, ENDDOC, TEXT, BEGATTACH, ENDATTACH,  
PAGECOUNT, CUSTODIAN, RECORDTYPE, DATE, TIME, SENTDATE,  
SENTTIME, BEGINDATE, BEGINTIME, ENDDATE, ENDTIME, AUTHOR, FROM,  
CC, TO, BCC, SUBJECT, TITLE, FILENAME, FILEEXT, FILESIZE,  
DATECREATED, TIMECREATED, DATELASTMOD, TIMELASTMOD,  
INTMSGID, INTMSGHEADER, NATIVELINK, INTFILPATH, EXCEPTION,  
BEGATTACH.
6. Documents produced to the Committee should include an index describing the contents of the production. To the extent more than one CD, hard drive, memory stick, thumb drive, box or folder is produced, each CD, hard drive, memory stick, thumb drive, box or folder should contain an index describing its contents.

7. Documents produced in response to this request shall be produced together with copies of file labels, dividers or identifying markers with which they were associated when the request was served.
8. When you produce documents, you should identify the paragraph in the Committee's schedule to which the documents respond.
9. It shall not be a basis for refusal to produce documents that any other person or entity also possesses non-identical or identical copies of the same documents.
10. If any of the requested information is only reasonably available in machine-readable form (such as on a computer server, hard drive, or computer backup tape), you should consult with the Committee staff to determine the appropriate format in which to produce the information.
11. If compliance with the request cannot be made in full by the specified return date, compliance shall be made to the extent possible by that date. An explanation of why full compliance is not possible shall be provided along with any partial production.
12. In the event that a document is withheld on the basis of privilege, provide a privilege log containing the following information concerning any such document: (a) the privilege asserted; (b) the type of document; (c) the general subject matter; (d) the date, author and addressee; and (e) the relationship of the author and addressee to each other.
13. If any document responsive to this request was, but no longer is, in your possession, custody, or control, identify the document (stating its date, author, subject and recipients) and explain the circumstances under which the document ceased to be in your possession, custody, or control.
14. If a date or other descriptive detail set forth in this request referring to a document is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, you are required to produce all documents which would be responsive as if the date or other descriptive detail were correct.
15. Unless otherwise specified, the time period covered by this request is from January 1, 2009 to the present.
16. This request is continuing in nature and applies to any newly-discovered information. Any record, document, compilation of data or information, not produced because it has not been located or discovered by the return date, shall be produced immediately upon subsequent location or discovery.
17. All documents shall be Bates-stamped sequentially and produced sequentially.
18. Two sets of documents shall be delivered, one set to the Majority Staff and one set to the Minority Staff. When documents are produced to the Committee, production sets shall be delivered to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
