Re: Letter addressed to Trump campaign vendors dated October 26, 2017

Dear Ranking Member Conyers and Ranking Member Cummings:

I received your letter to me dated October 26, 2017. As I made clear in the *60 Minutes* interview cited in your letter, I share your concerns and would not want foreign governments meddling in our elections. But as I stated in that same interview, I do not have any firsthand knowledge of foreign interference in the 2016 election.

There are currently several congressional inquiries about Russia's involvement in the 2016 election, as well as an ongoing investigation by Special Counsel Robert Mueller. I have cooperated fully with those tasked with the primary responsibility for investigating these matters, and I will continue to do so. However, I respectfully decline to make document productions and respond to inquiries that are duplicative of their work.

Sincerely,

Brad Parscale
