10 **SEC. 3. CONTRACTS FOR FOREIGN AND INTERSTATE AIR**
11 **TRANSPORTATION.**

12 (a) IN GENERAL.—At the end of chapter 54 of title
13 39, United States Code, add the following:

14 **“§ 5404. Contracts for foreign and interstate air**
15 **transportation**

16 “(a) DEFINITIONS.—In this section—

17 “(1) the terms ‘air carrier’, ‘foreign air carrier’,
18 ‘foreign air transportation’, and ‘interstate air trans-
19 portation’ have the meanings given such terms in
20 section 40102(a) of title 49;

21 “(2) the term ‘certificated air carrier’ means an
22 air carrier that holds a certificate of public conven-
23 ience and necessity issued under section 41102(a) of
24 title 49;

1 “(3) the term ‘code-share relationship’ means a
2 relationship pursuant to which any certificated air
3 carrier or foreign air carrier’s designation code is
4 used to identify a flight operated by another air car-
5 rier or foreign air carrier; and

6 “(4) the term ‘Secretary’ means the Secretary
7 of Transportation.

8 “(b) INTERNATIONAL MAIL.—

9 “(1) IN GENERAL.—

10 “(A) USE OF CERTIFICATED AIR CAR-
11 RIERS; CODE-SHARE RELATIONSHIPS.—Except
12 as otherwise provided in this subsection, the
13 Postal Service may contract for the transpor-
14 tation of mail by aircraft between any of the
15 points in foreign air transportation only with
16 certificated air carriers. A contract may be
17 awarded to a certificated air carrier to trans-
18 port mail by air between any of the points in
19 foreign air transportation that the Secretary
20 has authorized the carrier to serve either di-
21 rectly or through a code-share relationship with
22 1 or more foreign air carriers.

23 “(B) USE OF FOREIGN AIR CARRIERS.—If
24 the Postal Service has sought offers or pro-
25 posals from certificated air carriers to transport

1 mail in foreign air transportation between
2 points, or pairs of points within a geographic
3 region or regions, and has not received offers or
4 proposals that meet Postal Service requirements
5 at a fair and reasonable price from at least 2
6 such carriers, the Postal Service may seek of-
7 fers or proposals from foreign air carriers.
8 Where service in foreign air transportation
9 meeting the Postal Service's requirements is
10 unavailable at a fair and reasonable price from
11 at least 2 certificated air carriers, either di-
12 rectly or through a code-share relationship with
13 1 or more foreign air carriers, the Postal Serv-
14 ice may contract with foreign air carriers to
15 provide the service sought if, when the Postal
16 Service seeks offers or proposals from foreign
17 air carriers, it also seeks an offer or proposal
18 to provide that service from any certificated air
19 carrier providing service between those points,
20 or pairs of points within a geographic region or
21 regions, on the same terms and conditions that
22 are being sought from foreign air carriers.

23 “(C) METHODOLOGY FOR DETERMINING
24 FAIR AND REASONABLE PRICES.—For purposes
25 of this subsection, the Postal Service shall use

1 a methodology for determining fair and reason-
2 able prices for the Postal Service designated re-
3 gion or regions developed in consultation with,
4 and with the concurrence of, certificated air
5 carriers representing at least 51 percent of
6 available ton miles in the markets of interest.

7 “(D) CEILING PRICES.—For purposes of
8 this subsection, ceiling prices determined pursu-
9 ant to the methodology used under subpara-
10 graph (C) shall be presumed to be fair and rea-
11 sonable if they do not exceed the ceiling prices
12 derived from—

13 “(i) a weighted average based on mar-
14 ket rate data furnished by the Inter-
15 national Air Transport Association or a
16 subsidiary unit thereof; or

17 “(ii) if such data are not available
18 from those sources, such other neutral,
19 regularly updated set of weighted average
20 market rates as the Postal Service, with
21 the concurrence of certificated air carriers
22 representing at least 51 percent of avail-
23 able ton miles in the markets of interest,
24 may designate.

1 “(E) SITUATIONS IN WHICH CONCUR-
2 RENCE CANNOT BE ATTAINED.—If, for pur-
3 poses of subparagraph (D)(ii), concurrence can-
4 not be attained, the most recently available
5 market rate data described in this paragraph
6 shall continue to apply for the relevant market
7 or markets.

8 “(2) CONTRACT PROCESS.—The Postal Service
9 shall contract for foreign air transportation as set
10 forth in paragraph (1) through an open procurement
11 process that will provide—

12 “(A) potential offerors with timely notice
13 of business opportunities in sufficient detail to
14 allow them to make a proposal;

15 “(B) requirements, proposed terms and
16 conditions, and evaluation criteria to potential
17 offerors; and

18 “(C) an opportunity for unsuccessful
19 offerors to receive prompt feedback upon re-
20 quest.

21 “(3) EMERGENCY OR UNANTICIPATED CONDI-
22 TIONS; INADEQUATE LIFT SPACE.—The Postal Serv-
23 ice may enter into contracts to transport mail by air
24 in foreign air transportation with a certificated air

1 carrier or a foreign air carrier without complying
2 with the requirements of paragraph (1) or (2) if—

3 “(A) emergency or unanticipated condi-
4 tions exist that make it impractical for the
5 Postal Service to comply with such require-
6 ments; or

7 “(B) the Postal Service’s demand for lift
8 exceeds the space available to the Postal Service
9 under existing contracts and—

10 “(i) there is insufficient time available
11 to seek additional lift using procedures
12 that comply with those requirements with-
13 out compromising the Postal Service’s
14 service commitments to its own customers;
15 and

16 “(ii) the Postal Service first offers
17 any certificated air carrier holding a con-
18 tract to carry mail between the relevant
19 points the opportunity to carry such excess
20 volumes under the terms of its existing
21 contract.

22 “(c) GOOD-FAITH EFFORT REQUIRED.—The Postal
23 Service and potential offerors shall put a good-faith effort
24 into resolving disputes concerning the award of contracts
25 made under subsection (b).

1 “(d) SPECIAL CIRCUMSTANCES.—If the Postal Serv-
2 ice determines that service by certificated air carriers or
3 combination of air carriers between any pair or pairs of
4 points in foreign air transportation is not adequate for its
5 purposes, the Postal Service may contract, without adver-
6 tising for bids, in such manner and under such terms and
7 conditions as the Postal Service may deem appropriate,
8 with any air taxi operator or combination thereof for such
9 air transportation service. Contracts made under this sub-
10 section may be renewed at the existing rate by mutual
11 agreement between the holder and the Postal Service. The
12 Postal Service, with the consent of the air taxi operator,
13 may adjust the compensation under such contracts for in-
14 creased or decreased costs occasioned by changed condi-
15 tions occurring during the contract term. The Postal Serv-
16 ice shall cancel such a contract when the Secretary author-
17 izes an additional certificated carrier or carriers to provide
18 service between any pair or pairs of points covered by the
19 contract, and such carrier or carriers inaugurate schedules
20 adequate for its purposes.

21 “(e) TRANSPORTATION OF MAIL BY AIRCRAFT IN
22 INTERSTATE AIR TRANSPORTATION.—

23 “(1) DETERMINATION OF RATES AND CON-
24 TRACT TERMS.—The Postal Service may determine
25 rates and contract with any air carrier for the trans-

1 portation of mail by aircraft in interstate air trans-
2 portation either through negotiations or competitive
3 bidding.

4 “(2) MAIL SHIPMENTS OF LIVE ANIMALS.—

5 “(A) IN GENERAL.—In the exercise of its
6 authority under paragraph (1), the Postal Serv-
7 ice may require any air carrier to accept mail
8 shipments of day-old poultry, honeybees, and
9 such other live animals as postal regulations
10 allow to be transmitted as mail matter. The au-
11 thority of the Postal Service under this sub-
12 paragraph shall not apply in the case of any air
13 carrier who commonly and regularly refuses to
14 accept any live animals as cargo.

15 “(B) SURCHARGES.—Notwithstanding any
16 other provision of law, the Postal Service is au-
17 thorized to assess, as postage to be paid by the
18 mailers of any shipments covered by subpara-
19 graph (A), a reasonable surcharge that the
20 Postal Service determines in its discretion to be
21 adequate to compensate air carriers for any
22 necessary additional expense incurred in han-
23 dling such shipments.

24 “(f) APPLICABILITY TO POINTS WITHIN ALASKA.—

25 The authority of the Secretary and the Postal Service

1 under subsections (b), (c), and (d), as in effect on Sep-
2 tember 30, 2008, shall also apply, and the authority of
3 the Postal Service under subsection (e) shall not apply,
4 to the transportation of mail by aircraft between any 2
5 points both of which are within the State of Alaska and
6 between which the air carrier is authorized by the Sec-
7 retary to engage in the transportation of mail.”.

8 (b) CLERICAL AMENDMENT.—The table of sections
9 for chapter 54 of such title is amended by adding at the
10 end the following:

“5404. Contracts for foreign and interstate air transportation.”.
