The Honorable Jeh Johnson  
Secretary  
U.S. Department of Homeland Security  
Washington, D.C. 20528

Dear Mr. Secretary:

We are writing to request information related to the current employment status of former Department of Homeland Security (DHS) Acting Inspector General (IG) Charles Edwards.

Mr. Edwards resigned his position on December 16, 2013—three days before he was scheduled to testify at a Senate hearing on allegations that he altered and delayed investigations at the request of senior administration officials, among other things. After resigning, Mr. Edwards requested and received a transfer to the DHS Office of Science and Technology.<sup>1</sup>

According to a public report, on April 24, 2014, Mr. Edwards was placed on administrative leave.<sup>2</sup> The move came just hours after the Senate Subcommittee on Financial and Contracting Oversight released a bipartisan investigative report that found Edwards “jeopardized the independence of the [Office of Inspector General].”<sup>3</sup>

It is our understanding that Mr. Edwards was to remain on administrative leave pending the outcome of a separate investigation by the Council of the Inspectors General on Integrity and Efficiency (CIGIE). Department of Transportation Inspector General Calvin L. Scovel conducted the investigation on behalf of CIGIE and submitted a final Report of Investigation to CIGIE’s Integrity Committee (IC) on October 17, 2014.<sup>4</sup>

Comm. on Oversight and Gov’t Reform (Nov. 19, 2014) at 3.

So that we can better understand Mr. Edwards's current employment status, please provide responses to the following questions as soon as possible, but no later than February 4, 2015:

1. When was Mr. Edwards placed on administrative leave and for what purpose?
2. Is Mr. Edwards currently a DHS employee? If yes, provide his title, annual salary, and job duties. If no, provide his date of departure, title, annual salary, and responsibilities when he left the Department.
3. Is Mr. Edwards currently on administrative leave? If yes, provide a timeline for consideration of any proposed adverse action. If no, identify the date when he was removed from administrative leave.
4. Did Mr. Edwards receive his salary while he was on administrative leave? If so, please provide the total amount paid to Mr. Edwards while he was on administrative leave, including any other benefits he received.
5. Is Mr. Edwards eligible to retire with federal benefits? If yes, when did he become eligible and has he submitted a retirement application? If no, on what date will he be eligible to receive federal retirement benefits?

The Committee on Oversight and Government Reform is the principal oversight committee of the House of Representatives and may at "any time" investigate "any matter" as set forth in House Rule X. An attachment to this letter provides additional information about responding to the Committee's request.

1. In complying with this request, you are required to produce all responsive documents that are in your possession, custody, or control, whether held by you or your past or present agents, employees, and representatives acting on your behalf. You should also produce documents that you have a legal right to obtain, that you have a right to copy or to which you have access, as well as documents that you have placed in the temporary possession, custody, or control of any third party. Requested records, documents, data or information should not be destroyed, modified, removed, transferred or otherwise made inaccessible to the Committee.
2. In the event that any entity, organization or individual denoted in this request has been, or is also known by any other name than that herein denoted, the request shall be read also to include that alternative identification.

7. Documents produced in response to this request shall be produced together with copies of file labels, dividers or identifying markers with which they were associated when the request was served.
8. When you produce documents, you should identify the paragraph in the Committee's schedule to which the documents respond.
9. It shall not be a basis for refusal to produce documents that any other person or entity also possesses non-identical or identical copies of the same documents.
10. If any of the requested information is only reasonably available in machine-readable form (such as on a computer server, hard drive, or computer backup tape), you should consult with the Committee staff to determine the appropriate format in which to produce the information.
11. If compliance with the request cannot be made in full by the specified return date, compliance shall be made to the extent possible by that date. An explanation of why full compliance is not possible shall be provided along with any partial production.
12. In the event that a document is withheld on the basis of privilege, provide a privilege log containing the following information concerning any such document: (a) the privilege asserted; (b) the type of document; (c) the general subject matter; (d) the date, author and addressee; and (e) the relationship of the author and addressee to each other.

14. If a date or other descriptive detail set forth in this request referring to a document is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, you are required to produce all documents which would be responsive as if the date or other descriptive detail were correct.
15. Unless otherwise specified, the time period covered by this request is from January 1, 2009 to the present.
16. This request is continuing in nature and applies to any newly-discovered information. Any record, document, compilation of data or information, not produced because it has not been located or discovered by the return date, shall be produced immediately upon subsequent location or discovery.
17. All documents shall be Bates-stamped sequentially and produced sequentially.

When documents are produced to the Committee, production sets shall be delivered to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
