February 13, 2015

The Honorable John Kitzhaber
Governor of Oregon
Office of the Governor
900 Court Street
Salem, OR 97301-4047

Dear Governor Kitzhaber:

The Committee is conducting oversight of the implementation of the Patient Protection and Affordable Care Act (PPACA) and Oregon's health insurance exchange, Cover Oregon. Cover Oregon was funded with \$305 million in federal grants.¹ According to an auditor the State hired to assess the development of the exchange, the project has suffered from problems.²

In April 2014, the directors of Cover Oregon voted to abandon its exchange in favor of switching to HealthCare.gov.³ Cover Oregon's top technology official explained that the switch was policy-driven. He stated: "Using the federal technology represents the lowest-risk option."⁴ Subsequent reports, however, indicated that the decision to close Cover Oregon may have been based on politics, not policy, and campaign advisors working on your re-election campaign may have coordinated the State's response to the Cover Oregon rollout.⁵ In fact, media reports indicated campaign staff even edited the testimony of a witness who testified before the Committee about Cover Oregon on April 3, 2014.⁶ It has also come to our attention that an employee in the Governor's office instructed State officials to remove e-mails from your personal account from State servers.⁷

To ensure the integrity of records that may be relevant to this investigation, preserve all documents and communications related to the implementation of Cover Oregon. If it is the routine practice of any State employee or contractor to destroy or otherwise alter such records, halt that practice.

So the Committee can better understand the role of campaign advisers in decisions related to Cover Oregon, please produce the following documents and records to the Committee as soon as possible, but no later than February 27, 2015:

1. All communications to or from any current or former employee of the Governor's Office referring or relating to Cover Oregon, HealthCare.gov, or the PPACA, including, but not limited to, communications to or from:

¹ Jason Millman, *Cover Oregon officially admits enrollment site is broken beyond repair*, WASH. POST, Apr. 25, 2014.

² Dusty Lane, *'We look like fools: A history of Cover Oregon's failure*, KATU NEWS, Jan. 10, 2014.

Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
