The Honorable Howard Shelanski
Administrator
Office of Information and Regulatory Affairs
725 17th Street NW
Washington, D.C. 20503

Dear Administrator Shelanski:

On March 3, 2015, you testified before the Committee at an oversight hearing, titled “Challenges Facing OIRA in Ensuring Transparency and Effective Rulemaking.” During the hearing, you were asked by Chairman Meadows to produce documents and communications relating to the Office of Information and Regulatory Affairs’ review of the proposed “Waters of the United States” rule (proposed regulation).¹ You responded that you would not produce those documents to the Committee. The Committee made a series of follow-up requests that you and your staff produce the documents and communications Chairman Meadows requested related to the proposed regulation. Repeatedly, OIRA refused.

To date, the Committee has received none of the requested documents.

Despite failing to produce the requested documents, OIRA appears to agree that Congress requires visibility into the rulemaking process to understand the reasons for the agency’s important decisions. On April 6, 2015, your office provided Committee staff with a copy of OIRA’s disclosure policy.² The disclosure policy states that “[t]ransparency of OIRA’s regulatory review process is critical to [OIRA’s] ability to improve the nation’s regulatory system” and that “[o]nly if it is clear how the OMB review process works and what it does will Congress . . . understand [OIRA’s] role and the reason behind [its] decisions.”³ We agree.

Your repeated refusal to address the Committee’s questions about the proposed regulation, while under oath and otherwise, raises serious questions regarding your commitment to these principles. The proposed regulation is highly controversial and Congress has a right to know how it was developed. The documents and communications that the Committee requested will advance our understanding of the review process and the factors that OIRA considered during that process.

¹ Definition of Waters of the United States Under the Clean Water Act, 79 Fed. Reg. 22188 (Apr. 21, 2014).

² OIRA Disclosure Memo-B, Office of Management and Budget (Oct. 18, 2001).

³ *Id.*

Oversight of OIRA, and specifically of the review of the proposed regulation, is squarely within the scope of this Committee's jurisdiction. As the principal investigative committee in the U.S. House of Representatives and pursuant to House Rule X, the Committee on Oversight and Government Reform has broad authority to investigate "any matter" and "any time."

We reiterate our request for documents and information to assist the Committee's oversight of OIRA and the development of the proposed regulation. Please provide all documents and communications referring or relating to the proposed regulations as soon as possible, but no later than 5:00 p.m. on May 25, 2015. This request includes, but is not limited to, the time period prior to the proposed rule's submission for review under Executive Order 12866. The Committee will consider the use of compulsory process to obtain these documents if you continue to refuse to produce them voluntarily.

When producing documents to the Committee, please deliver production sets to the Majority staff in Room 2157 of the Rayburn House Office Building and the Minority staff in Room 2471 of the Rayburn House Office Building. An attachment to this letter contains additional instructions for responding to Committee documents requests.

Thank you for your cooperation in this matter. If you have any questions regarding this request, please contact Christina Aizcorbe or Katy Rother of the Committee staff at (202) 225-5074.

Jason Chaffetz
Chairman

Sincerely,

Mark Meadows
Chairman
Subcommittee on
Government Operations

The Honorable Gerald E. Connolly, Ranking Member
Subcommittee on Government Operations

8. When you produce documents, you should identify the paragraph in the Committee's schedule to which the documents respond.
9. It shall not be a basis for refusal to produce documents that any other person or entity also possesses non-identical or identical copies of the same documents.
10. If any of the requested information is only reasonably available in machine-readable form (such as on a computer server, hard drive, or computer backup tape), you should consult with the Committee staff to determine the appropriate format in which to produce the information.
11. If compliance with the request cannot be made in full by the specified return date, compliance shall be made to the extent possible by that date. An explanation of why full compliance is not possible shall be provided along with any partial production.
12. In the event that a document is withheld on the basis of privilege, provide a privilege log containing the following information concerning any such document: (a) the privilege asserted; (b) the type of document; (c) the general subject matter; (d) the date, author and addressee; and (e) the relationship of the author and addressee to each other.

14. If a date or other descriptive detail set forth in this request referring to a document is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, you are required to produce all documents which would be responsive as if the date or other descriptive detail were correct.
15. Unless otherwise specified, the time period covered by this request is from January 1, 2009 to the present.

When documents are produced to the Committee, production sets shall be delivered to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
