Dear Chairman Rokita:

On behalf of Excel Academy Public Charter School, I would like to thank you for your support and governance for H.R. 10, the reauthorization of the SOAR Act and to also express our strong support for this federal program.

Located in Ward 8, Excel Academy educates over 700 scholars from Preschool to 7th grade and serves some of the District's most at-risk scholars. The SOAR program has been able to provide Excel Academy with educational resources to ensure students meet challenging academic targets as well as facilitate a safe and secure learning environment to support improved academic performance.

I encourage you to continue to provide schools across the District the opportunity to receive SOAR funding as it has provided high quality resources to the charter school community.

Sincerely,
