The Honorable Neil Kornze  
Director  
U.S. Bureau of Land Management  
1849 C Street NW, Room 5665  
Washington, D.C. 20240

Dear Director Kornze:

The Committee has become aware of increasing complaints about Bureau of Land Management activities in Nevada and Utah. State officials have asserted that BLM law enforcement agents use tactics that amount to “bullying, intimidation and . . . lack of integrity.”<sup>1</sup> Those tactics have undermined safety in rural communities and strained local law enforcement budgets. In particular, BLM’s officers allegedly harass citizens and tourists, interfere with the work of local law enforcement, operate outside of their jurisdictions, and refuse to cooperate with local officials.<sup>2</sup> The situation has led some local counties to declare the presence of BLM law enforcement in Utah and Nevada “a threat to the health, safety and welfare of their citizens.”<sup>3</sup>

Last year, BLM law enforcement terminated long-standing contracts with county sheriffs in Utah. Under those agreements, BLM compensated local law enforcement officers for patrolling public lands, handling emergency and rescue operations, and providing crucial police oversight during busy periods.<sup>4</sup> This decision created a law enforcement vacuum in the area and caused serious financial problems for local governments. As one county official from Utah stated, “BLM’s Chief of Law Enforcement cancelled the agreement leaving Garfield County with a significant budget shortfall and staff operating in an area without an agreement.”<sup>5</sup>

<sup>5</sup> *Supra*, note 1.

The press reported on allegations that the contracts were cancelled as retribution for state legislation passed in 2013 to limit federal police powers on public lands.<sup>6</sup>

Moreover, during the summer of 2015, BLM law enforcement demanded a more than \$1 million increase to the permit price for the annual *Burning Man* event in Nevada's Black Rock Desert to fund amenities for BLM agents.<sup>7</sup> The demands were unrelated to providing safety and security, and instead included having laundry facilities, 24-hour access to ice cream, air conditioning, and vanity mirrors.<sup>8</sup> BLM eventually withdrew its demands and granted the permit,<sup>9</sup> but only after a significant public outcry, including intervention by Senator Harry Reid (D-NV), who criticized these "outlandishly unnecessary facilities."<sup>10</sup>

In order to help the Committee better understand BLM's changing role, please provide the following documents and information:

1. All documents and communications referring or relating to BLM's decision to terminate or not renew contracts with Utah sheriffs;
2. All documents and communications referring or relating to the BLM permit for *Burning Man* in 2015, and demands made by BLM law enforcement relating to the event;
3. All communications between BLM law enforcement personnel and state and local officials in Utah and Nevada, including elected officials, county commissioners and state/local law enforcement, from January 2009 to the present; and
4. All communications between BLM law enforcement personnel referring or relating to state and local officials in Utah and Nevada, including elected officials, county commissioners and state/local law enforcement from January 2009 to the present.

Please provide the requested information as soon as possible, but no later than by 5:00 p.m. on February 18, 2016. An attachment to this letter provides additional information about responding to the Committee's request. When producing documents to the Committee, please deliver production sets to the OGR Majority staff in room 2157 of the Rayburn House Office Building. The Committee prefers, if possible, to receive all documents in electronic format.

You should also produce documents that you have a legal right to obtain, that you have a right to copy or to which you have access, as well as documents that you have placed in the temporary possession, custody, or control of any third party. Requested records, documents, data or information should not be destroyed, modified, removed, transferred or otherwise made inaccessible to the Committee.
2. In the event that any entity, organization or individual denoted in this request has been, or is also known by any other name than that herein denoted, the request shall be read also to include that alternative identification.
3. The Committee's preference is to receive documents in electronic form (i.e., CD, memory stick, or thumb drive) in lieu of paper productions.
4. Documents produced in electronic format should also be organized, identified, and indexed electronically.

  - (b) Document numbers in the load file should match document Bates numbers and TIF file names.
  - (c) If the production is completed through a series of multiple partial productions, field names and file order in all load files should match.
  - (d) All electronic documents produced to the Committee should include the following fields of metadata specific to each document:

BEGDOC, ENDDOC, TEXT, BEGATTACH, ENDATTACH,  
PAGECOUNT, CUSTODIAN, RECORDTYPE, DATE, TIME, SENTDATE,

7. Documents produced in response to this request shall be produced together with copies of file labels, dividers or identifying markers with which they were associated when the request was served.
8. When you produce documents, you should identify the paragraph in the Committee's schedule to which the documents respond.
9. It shall not be a basis for refusal to produce documents that any other person or entity also possesses non-identical or identical copies of the same documents.
10. If any of the requested information is only reasonably available in machine-readable form (such as on a computer server, hard drive, or computer backup tape), you should consult with the Committee staff to determine the appropriate format in which to produce the information.
11. If compliance with the request cannot be made in full by the specified return date, compliance shall be made to the extent possible by that date. An explanation of why full compliance is not possible shall be provided along with any partial production.
12. In the event that a document is withheld on the basis of privilege, provide a privilege log containing the following information concerning any such document: (a) the privilege asserted; (b) the type of document; (c) the general subject matter; (d) the date, author and addressee; and (e) the relationship of the author and addressee to each other.

When documents are produced to the Committee, production sets shall be delivered to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
