

Congress of the United States

Washington, DC 20515

March 29, 2016

The Honorable Sally Jewell
Secretary
U.S. Department of the Interior
1849 C Street NW
Washington, D.C. 20240

Dear Madam Secretary:

On February 12, 2016, the White House designated 1.8 million acres of land in California for conservation under the Antiquities Act of 1906.¹ The designation, which created three new national monuments in the California desert, nearly doubled the total amount of land set aside as national monuments by the President during his time in office.² In fact, the President has used the Antiquities Act to unilaterally designate approximately 265 million acres of land and water as national monuments—far more than any previous President.³

The broad and frequent application of the Antiquities Act raises questions about the lack of transparency and consultation with local stakeholders leading up to the President's designation of national monuments. To help the Committees understand how and why certain areas are designated for conservation, please provide the following documents:

1. All documents and communications referring or relating to the selection or designation of national monuments under the Antiquities Act of 1906 by the President from January 1, 2015, to the present.

Please provide the requested information as soon as possible, but no later than 5:00 p.m. on April 12, 2016. When producing documents to the Committees, please deliver production sets to the Committee on Oversight and Government Reform Majority staff in Room 2157 of the Rayburn House Office Building and Minority staff in Room 2471 of the Rayburn House Office Building; the Committee on Natural Resources Majority staff in Room 1324 of the Longworth House Office Building and Minority staff in Room 1329 of the Longworth House Office Building; and to the Committee on Appropriations Majority staff in H-305 of the Capitol Building and Minority staff in 1016 Longworth House Office Building. The Committees strongly prefer to receive all documents in electronic format.

8. When you produce documents, you should identify the paragraph in the Committee's schedule to which the documents respond.
9. It shall not be a basis for refusal to produce documents that any other person or entity also possesses non-identical or identical copies of the same documents.
10. If any of the requested information is only reasonably available in machine-readable form (such as on a computer server, hard drive, or computer backup tape), you should consult with the Committee staff to determine the appropriate format in which to produce the information.
11. If compliance with the request cannot be made in full by the specified return date, compliance shall be made to the extent possible by that date. An explanation of why full compliance is not possible shall be provided along with any partial production.

When documents are produced to the Committee, production sets shall be delivered to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
