The Honorable Sarah R. Saldaña
Assistant Secretary
U.S. Immigration and Customs Enforcement
500 12th Street SW
Washington, D.C. 20536

Dear Assistant Secretary Saldaña:

On February 25, 2016, the Committee requested a briefing from U.S. Immigration and Customs Enforcement regarding allegations that a Homeland Security Investigations operation violated the Brownsville-Merida Agreement. The agreement requires that U.S. law enforcement agencies coordinate with the Government of Mexico when conducting undercover law enforcement activities in Mexico.

In the subsequent briefing, ICE personnel informed the Committee that in the summer of 2014, agency representatives traveled to Mexico City to meet with Laura Dogu, then Deputy Chief of Mission at the U.S. Embassy in Mexico. According to ICE, Ms. Dogu believed that some ICE investigations failed to comply with the Brownsville-Merida Agreement.

In order for the Committee to better understand this issue, please produce as soon as possible, but no later than noon on Friday, June 3, 2016:

- 1) All documents and communications from 2010 to the present referring or relating to the Brownsville-Merida agreement, including alleged, suspected, or perceived violations of the agreement; and
- 2) All documents and communications referring or relating to the March 28, 2014, death of Isaias Borquez Lizarraga.

Please deliver your responses to the Committee on Oversight and Government Reform Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building. The Committee prefers, if possible, to receive all documents in electronic format.

The Honorable Sarah Saldaña

You should also produce documents that you have a legal right to obtain, that you have a right to copy or to which you have access, as well as documents that you have placed in the temporary possession, custody, or control of any third party. Requested records, documents, data or information should not be destroyed, modified, removed, transferred or otherwise made inaccessible to the Committee.
2. In the event that any entity, organization or individual denoted in this request has been, or is also known by any other name than that herein denoted, the request shall be read also to include that alternative identification.

8. When you produce documents, you should identify the paragraph in the Committee's schedule to which the documents respond.
9. It shall not be a basis for refusal to produce documents that any other person or entity also possesses non-identical or identical copies of the same documents.
10. If any of the requested information is only reasonably available in machine-readable form (such as on a computer server, hard drive, or computer backup tape), you should consult with the Committee staff to determine the appropriate format in which to produce the information.
11. If compliance with the request cannot be made in full by the specified return date, compliance shall be made to the extent possible by that date. An explanation of why full compliance is not possible shall be provided along with any partial production.
12. In the event that a document is withheld on the basis of privilege, provide a privilege log containing the following information concerning any such document: (a) the privilege asserted; (b) the type of document; (c) the general subject matter; (d) the date, author and addressee; and (e) the relationship of the author and addressee to each other.
13. If any document responsive to this request was, but no longer is, in your possession, custody, or control, identify the document (stating its date, author, subject and recipients) and explain the circumstances under which the document ceased to be in your possession, custody, or control.
14. If a date or other descriptive detail set forth in this request referring to a document is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, you are required to produce all documents which would be responsive as if the date or other descriptive detail were correct.
15. Unless otherwise specified, the time period covered by this request is from January 1, 2009 to the present.
16. This request is continuing in nature and applies to any newly-discovered information. Any record, document, compilation of data or information, not produced because it has not been located or discovered by the return date, shall be produced immediately upon subsequent location or discovery.
17. All documents shall be Bates-stamped sequentially and produced sequentially.
18. Two sets of documents shall be delivered, one set to the Majority Staff and one set to the Minority Staff. When documents are produced to the Committee, production sets shall be delivered to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
