August 26, 2016

The Honorable Phyllis K. Fong
Inspector General
U.S. Department of Agriculture
1400 Independence Avenue SW
Washington, D.C. 20250

Dear Ms. Fong:

The Committee is conducting oversight of information security throughout the federal government, including at the Department of Agriculture. To assist the Committee, please provide a copy of your office's recent report on USDA's Continuous Diagnostics and Mitigation program as soon as possible, but no later than September 1, 2016.

The Committee on Oversight and Government Reform is the principal oversight committee of the House of Representatives and may at "any time" investigate "any matter" as set forth in House Rule X. When producing documents to the Committee, please deliver production sets to the Majority staff in Room 2157 of the Rayburn House Office Building and the Minority staff in Room 2471 of the Rayburn House Office Building. The Committee prefers, if possible, to receive all documents in electronic format.

Please have your staff contact Liam McKenna of my staff at (202) 225-5074 with any questions about this request. Thank you for your attention to this matter.

Sincerely,

Jason Chaffetz
Chairman
