Mr. Dennis A. Muilenburg
Chairman, President, and Chief Executive
The Boeing Company
100 North Riverside
Chicago, Illinois 60606

Dear Mr. Muilenburg:

Recent news accounts have reported that Boeing agreed to sell 80 jetliners to the Islamic Republic of Iran's state-owned entity, Iran Air, in a deal valued at \$16.6 billion.¹ The deal was reportedly approved in September, but not finalized until Boeing was able to secure a license from the U.S. Treasury Department's Office of Foreign Assets Control (OFAC).² This would be the largest business deal between a U.S. company and the Islamic Republic of Iran since the signing of the Joint Comprehensive Plan of Action, otherwise known as the "Iran Nuclear Deal."³

The nuclear deal still faces significant obstacles, however, and it is unclear whether U.S. banks will be able to participate. In November, the House of Representatives passed a bill to prevent the Treasury Department from licensing U.S. banks to finance Boeing's deal with Iran Air.⁴ To date, Boeing has not addressed how the sale will be financed if the bill is signed into law.

Please contact the Committee as soon as possible, but by no later than December 23, 2016, to schedule a briefing to address that question, and others. Specifically, the briefing for Committee staff should cover:

1. Any contingency plans for the event that Iran Air engages in sanctionable non-nuclear activities;
2. Implications of the Foreign Corrupt Practices Act and plans for maintaining compliance;

3. Measures Boeing Co. has taken to ensure neither it nor its suppliers become exposed to litigation or claims against Iran by American victims of overseas terrorism with rights to Iranian assets;
4. Mechanisms to protect against the transfer of American technology to sanctioned entities; and
5. Whether Boeing informed the incoming Administration about the progress of the deal, and information related to potential termination of the contract, among other things.

Prior to the briefing, please also provide Committee staff with a copy of the OFAC license. When producing documents to the Committee, please deliver production sets to the Majority staff in Room 2157 of the Rayburn House Office Building and the Minority staff in Room 2471 of the Rayburn House Office Building. The Committee prefers, if possible, to receive all documents in electronic format. An attachment to this letter contains additional instructions for responding to the Committee's request.

The Committee on Oversight and Government Reform is the principal oversight committee in the U.S. House of Representatives. Pursuant to House Rule X, the Committee has authority to investigate "any matter" at "any time."

Please contact Mike Howell of the Committee staff at (202) 225-5074 to schedule the briefing and with any questions about this letter. Thank you for your attention to this matter.

Sincerely,

Jason Chaffetz
Chairman

8. When you produce documents, you should identify the paragraph in the Committee's schedule to which the documents respond.
9. It shall not be a basis for refusal to produce documents that any other person or entity also possesses non-identical or identical copies of the same documents.
10. If any of the requested information is only reasonably available in machine-readable form (such as on a computer server, hard drive, or computer backup tape), you should consult with the Committee staff to determine the appropriate format in which to produce the information.
11. If compliance with the request cannot be made in full by the specified return date, compliance shall be made to the extent possible by that date. An explanation of why full compliance is not possible shall be provided along with any partial production.
12. In the event that a document is withheld on the basis of privilege, provide a privilege log containing the following information concerning any such document: (a) the privilege asserted; (b) the type of document; (c) the general subject matter; (d) the date, author and addressee; and (e) the relationship of the author and addressee to each other.
13. If any document responsive to this request was, but no longer is, in your possession, custody, or control, identify the document (stating its date, author, subject and recipients) and explain the circumstances under which the document ceased to be in your possession, custody, or control.
14. If a date or other descriptive detail set forth in this request referring to a document is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, you are required to produce all documents which would be responsive as if the date or other descriptive detail were correct.
15. Unless otherwise specified, the time period covered by this request is from January 1, 2009 to the present.
16. This request is continuing in nature and applies to any newly-discovered information. Any record, document, compilation of data or information, not produced because it has not been located or discovered by the return date, shall be produced immediately upon subsequent location or discovery.
17. All documents shall be Bates-stamped sequentially and produced sequentially.

When documents are produced to the Committee, production sets shall be delivered to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
