17 costs (if any) to the postal patron.

18 “(vi) Any other information the Postal

20 “(C) No delivery point may be converted  
21 under this subsection unless prior written con-  
22 sent is provided to the Postal Service by a post-  
23 al patron served by such delivery point who is  
24 at least 18 years old, except as provided for in  
25 subparagraph (E). Prior to the conversion of a

1 delivery point under this section, any written  
2 consent so provided may be withdrawn by such  
3 patron or by any other postal patron served by  
4 such delivery point who is at least 18 years old  
5 upon written notification to the Postal Service.  
6 The Postal Service shall place on the Postal

11 “(D) Upon the receipt of written consent  
12 applicable to at least 40 percent of the delivery

19 the conversion threshold has been reached  
20 and that—

21 “(I) with respect to any delivery  
22 point for which a consent for conver-  
23 sion was received, that the primary  
24 mode of mail delivery for such address  
25 will be converted; and

1                   “(II) with respect to any delivery  
2 point for which a consent for conver-  
3 sion was not received, that—

4                   “(aa) a postal patron served  
5 by such delivery point may elect,  
6 by written consent, at any time  
7 to convert the primary mode of  
8 mail delivery to the same form of  
9 delivery as the converted delivery  
10 points in such unit; and

11                   “(bb) if such a patron pro-  
12 vides such consent, the primary  
13 mode of mail delivery shall be  
14 converted not later than 30 days  
15 after the date of such consent or,  
16 in any case where the conversion  
17 of delivery points has not yet oc-

19 that conversion;

20                   “(ii) not later than 90 days after the

1 sent was received to the applicable new pri-  
2 mary mode of mail delivery; and

3 “(iii) following the conversion of an  
4 address unit, ensure that the primary  
5 mode of mail delivery for any new resi-  
6 dents to the address unit is the converted  
7 primary mode of mail, regardless of the  
8 primary mode of mail delivery for the pre-  
9 vious occupant.

10 “(E) Any delivery point created pursuant  
11 to subsection (c)(2) shall be automatically and  
12 irrevocably deemed to consent to delivery con-  
13 version if the delivery point is established with-  
14 in, or later becomes a part of, an address unit  
15 that is proposed for conversion to a different  
16 primary mode of mail delivery.

17 “(f) CONSIDERATIONS.—In making a determination  
18 to convert the primary mode of mail delivery under this  
19 section, the Postal Service shall consider—

20 “(1) the impact of weather conditions, physical  
21 barriers, or any other factor that may impact the  
22 feasibility of providing a primary mode of mail deliv-  
23 ery other than door delivery (such as a factor that  
24 may significantly reduce the potential cost savings

1 associated with providing centralized delivery or  
2 curbside delivery);

3 “(2) whether the address is in a registered his-

5 47(c)(3)(B) of the Internal Revenue Code of 1986),

14 upon application, door delivery may be continued, or  
15 provided, for a delivery point identified under sub-  
16 section (d)(1) or (e)(1) at no cost to the applicant  
17 in any case in which—

18 “(A) centralized delivery, curbside delivery,  
19 or sidewalk delivery would, but for this para-  
20 graph, otherwise be the primary mode of mail  
21 delivery; and

22 “(B) door delivery is necessary in order to  
23 avoid causing significant physical hardship or  
24 physical safety risks to a postal patron.

1           “(2) TREATMENT OF WAIVER.—An address re-  
2           ceiving door delivery pursuant to a waiver under this  
3           subsection—

4                   “(A) shall be counted, for purposes of the  
5           reporting requirement under subsection (j), as  
6           an address that receives the primary mode of  
7           mail delivery which the address would be sub-  
8           ject to if not for the waiver; and

9                   “(B) shall, not later than 60 days after  
10          ceasing to meet the requirements of paragraph  
11          (1), be converted to the primary mode of mail  
12          delivery which is otherwise applicable.

20                   “(2) calculate and make publicly accessible the  
21          cost or savings of the conversion to the Postal Serv-  
22          ice as well as the average conversion cost or savings  
23          to each postal patron and any cost or savings to the  
24          State and local government; and

1           “(3) place centralized delivery points in loca-  
2           tions that maximize delivery efficiency, ease of use  
3           for postal patrons, and respect for private property  
4           rights.

5           “(i) VOUCHER PROGRAM.—The Postal Service shall  
6           provide for a voucher program under which, upon applica-  
7           tion, the Postal Service may defray all or any portion of  
8           the costs of new mail receptacles associated with conver-  
9           sion from door delivery under this section which would  
10          otherwise be borne by postal patrons.

11          “(j) ANNUAL REPORT.—Not later than 60 days after  
12          the end of each of fiscal years 2018 through 2023, the

8           chase request for a postal contract of the Postal

10          would risk placing the Postal Service at a competi-  
11          tive disadvantage relative to a private sector competi-  
12          tor, the senior procurement executive, in consulta-  
13          tion with the advocate for competition of the Postal

22                 graph (1) shall include—

23                         “(i) a description of the risk associ-  
24                         ated with making the noncompetitive pur-  
25                         chase request publicly available; and

1           “(ii) a statement that redaction of  
2           sensitive information in the noncompetitive  
3           purchase request would not be sufficient to  
4           protect the Postal Service from being  
5           placed at a competitive disadvantage rel-  
6           ative to a private sector competitor.

7           “(3) DELEGATION OF WAIVER AUTHORITY.—  
8           The Postal Service may not delegate the authority to
