Mr. Timothy Horne
Acting Administrator
General Services Administration
1800 F Street NW
Washington, D.C. 20006

Dear Mr. Horne:

On January 26, 2017, I followed up on a December 2016 request for information related to the General Services Administration's outleasing program, including an unredacted copy of the Old Post Office, LLC outlease agreement ("the agreement"). On January 27, 2017, your office produced an unredacted copy of the agreement to the Committee. Thank you for doing so.

In order to help the Committee better understand the agreement and GSA's outlease program, please describe GSA's plans to address clause 37.19 of the agreement, if any. In addition, please provide the Committee with all guidelines and policies that GSA utilizes in administering the outlease program.

When producing documents to the Committee, please deliver production sets to the Majority staff in Room 2157 of the Rayburn House Office Building and the Minority staff in Room 2471 of the Rayburn House Office Building. The Committee prefers, if possible, to receive all documents in electronic format. An attachment to this letter provides additional information about responding to the Committee's request. Please note that Committee Rule 16(b) requires counsel representing an individual or entity before the Committee or any of its subcommittees, whether in connection with a request, subpoena, or testimony, promptly submit the attached notice of appearance to the Committee.

The Committee on Oversight and Government Reform is the principal investigative committee in the U.S. House of Representatives. Pursuant to House Rule X, the Committee has authority to investigate "any matter" at "any time."
