MAJORITY (202) 225-5074

April 12, 2017

The Honorable James N. Mattis
Secretary of Defense
U.S. Department of Defense
1400 Defense Pentagon
Washington, D.C. 20301-1400

Dear Mr. Secretary:

A recent news report revealed the potential expenditure of U.S. taxpayer funds on a university with possible ties to the Chinese military.¹ According to the account, the leadership of the University of Management and Technology (UMT) in Rosslyn, Virginia, has been under FBI investigation for suspected ties to the Chinese military.² Furthermore, it was reported, UMT focused recruiting efforts on military members; and service members' histories and records were uploaded to a site accessible in Beijing.³ It appears that military service members' sensitive personally identifiable information (PII) may have been compromised.

So the Committee can better understand the Department's efforts to protect service members' PII and combat fraud in educational programs, please provide the following documents and information as soon as possible, but no later than noon on April 28, 2017:

1. All documents and communications referring or relating to the Department and UMT.
2. A copy of any Memorandums of Understanding or other contractual documents with UMT, including any associated attachments.
3. A copy of the most recent version of the Department of Defense Instruction (DoDI) 1322.25, "Voluntary Education Programs," to include the appendix containing the DoD Voluntary Education Partnership Memorandum of Understanding (MOU) between DoD Office of the Under Secretary of Defense for Personnel and Readiness (USD(P&R)) and educational institutions.

4. Any studies or statistics conducted by the Department on the UMT's student outcomes, including graduation rates, career potential and military service.
5. Any reports provided to DOD by UMT with regard to DoD Tuition Assistance (TA) recipients for programs and courses offered, as required in the MOU.
6. Any communications referring or relating to UMT on the DoD Postsecondary Education Complaint System.
7. Any communications referring or relating to any Third Party Education Assessment processes requested of or directed at UMT, as well as the outcomes of any such activities.
8. All documents related to the Department's efforts to protect potentially impacted service members' PII and risk-mitigation strategies.

Please also have your staff contact us to schedule a briefing on these issues no later than May 3, 2017, after providing the documents to the Committee.

When producing documents to the Committee, please deliver production sets to the Majority staff in Room 2157 of the Rayburn House Office Building and the Minority staff in Room 2471 of the Rayburn House Office Building. The Committee prefers, if possible, to receive all documents in electronic format. An attachment to this letter provides additional information about responding to the Committee's request. Please note that Committee Rule 16(b) requires counsel representing an individual or entity before the Committee or any of its subcommittees, whether in connection with a request, subpoena or testimony, promptly submit the attached notice of appearance to the Committee.

The Committee on Oversight and Government Reform is the principal oversight committee of the House of Representatives and may at "any time" investigate "any matter" as set forth in House Rule X.

Please contact Brick Christensen of the Committee staff at (202) 225-5074 with any questions about this request. Thank you for your attention to this matter.

Sincerely,

Jason Chaffetz
Chairman

14. If a date or other descriptive detail set forth in this request referring to a document is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, you are required to produce all documents which would be responsive as if the date or other descriptive detail were correct.

When documents are produced to the Committee, production sets shall be delivered to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
