The Honorable Wilbur L. Ross, Jr.
Secretary of Commerce
1401 Constitution Avenue NW
Washington, D.C. 20230

Dear Mr. Secretary:

Since 2016, the Census Bureau and the U.S. Postal Service (USPS) have been working on a partnership to allow postal carriers to serve as enumerators during the 2020 Decennial Census. As part of the 2018 End-to-End Test, the Census Bureau and USPS planned to conduct a first-ever pilot using postal carriers as census enumerators. According to the Census Bureau, USPS maintains an experienced labor force that not only has public trust, but also a detailed knowledge of addresses and residential patterns in the communities they serve.¹

In September 2017, the Census Bureau published a Federal Register notice seeking comments on this pilot program.² In January 2018, representatives from USPS and the Department of Commerce, including the Census Bureau, briefed the Committee about the structure of the pilot program and intent to move ahead with the program during the 2018 End-to-End Test.³

However, the Committee recently learned the Census Bureau no longer plans to include this pilot program in the 2018 End-to-End Test. As a result, this concept is not likely to be utilized during the 2020 Decennial Census. The Department of Commerce informed the Committee the pilot program is not likely to be deployed due to a conflict in law related to data privacy.

¹ Briefing by the U.S. Postal Service and the Census Bureau, to majority and minority staff, H. Comm. on Oversight & Gov't Reform and S. Comm. on Homeland Sec. and Gov't Affairs (January 8, 2018).

² Dept. of Commerce and U.S. Census Bureau, Pilot of USPS Postal Carriers as Census Enumerators During the 2018 End-to-End Census Test, 82 Fed. Reg. 181 (September 20, 2017) (Proposed Information Collection; Comment Request).

³ *Supra*, note 1.

To help the Committee understand the purported conflict in law, please provide the following information:

1. A detailed explanation of the legal impediments to inclusion of the pilot program in the 2018 End-to-End Census Test; and
2. An explanation of what changes in law or otherwise would allow the pilot program's inclusion in the 2018 test.

Provide the requested information as soon as possible, but no later than 5:00 p.m. on March 19, 2018. An attachment to this letter provides additional instructions for responding to the Committee's request.

Please contact Ellen Johnson of the Majority staff at (202) 225-5074 with any questions about this request. Thank you for your attention to this matter.

Sincerely,

11. If compliance with the request cannot be made in full by the specified return date, compliance shall be made to the extent possible by that date. An explanation of why full compliance is not possible shall be provided along with any partial production.
12. In the event that a document is withheld on the basis of privilege, provide a privilege log containing the following information concerning any such document: (a) the privilege asserted; (b) the type of document; (c) the general subject matter; (d) the date, author and addressee; and (e) the relationship of the author and addressee to each other.

14. If a date or other descriptive detail set forth in this request referring to a document is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, you are required to produce all documents which would be responsive as if the date or other descriptive detail were correct.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
