Dear Madam Secretary, Mr. Secretary, and Mr. Attorney General:

We are writing to request information from your agencies relating to the Administration's policy announced by Attorney General Jeff Sessions on April 6, 2018, and Executive Order 13841, "Affording Congress an Opportunity to Address Family Separation." Like many Americans, we want to ensure that we can reunite children who have been separated from their families as expeditiously as possible.

In order to promote our shared goal, we request that you produce the following information organized by each individual separated child:

- (1) the age, gender, country of origin, and alien identification number, if any, of each child separated from his or her parents under this policy;
- (2) all locations and facilities in which the separated child has been, and is currently being, detained, and the dates on which the child was in each facility;
- (3) if the separated child is awaiting transfer to a different facility, the name and location of the facility and the date of the planned transfer;
- (4) the age, gender, and country of origin, and alien identification number, if any, of the parent or parents of the separated child;

- (5) the date and location of the detainment and arrest of the parent or parents of the separated child, or any other individual who accompanied the child;
- (6) all locations and facilities in which the parent or parents of the separated child, or any other individual who accompanied the child, have been, and are currently being, detained, and the dates on which the parent or parents were in each facility;
- (7) the date and location of the separation of the child from his or her parents, or any other individual who accompanied the child;
- (8) the date and location of family reunification, if it has occurred;
- (9) whether the parent or parents of the separated child, or any other individual who accompanied the child, presented themselves to U.S. officials for asylum, and if so, the status of the asylum case;
- (10) if the parent or parents of the separated child, or any other individual who accompanied the child, were deported, the date, location, and destination of the deportation; and
- (11) if the separated child has a sibling in the United States, the detention facility, shelter, foster home, or other facility in which the sibling has been, or is currently being, detained.

Please provide the requested documents and information as soon as possible and schedule a briefing no later than 5:00 p.m. on July 19, 2018. An attachment to this letter provides additional instructions for responding to our request.

Thank you for your prompt attention to this matter.

Sincerely,

Responding to Committee Document Requests

1. In complying with this request, you are required to produce all responsive documents that are in your possession, custody, or control, whether held by you or your past or present agents, employees, and representatives acting on your behalf. You should also produce documents that you have a legal right to obtain, that you have a right to copy or to which you have access, as well as documents that you have placed in the temporary possession, custody, or control of any third party. Requested records, documents, data or information should not be destroyed, modified, removed, transferred or otherwise made inaccessible to the Committee.
2. In the event that any entity, organization or individual denoted in this request has been, or is also known by any other name than that herein denoted, the request shall be read also to include that alternative identification.

8. When you produce documents, you should identify the paragraph in the Committee's schedule to which the documents respond.
9. It shall not be a basis for refusal to produce documents that any other person or entity also possesses non-identical or identical copies of the same documents.
10. If any of the requested information is only reasonably available in machine-readable form (such as on a computer server, hard drive, or computer backup tape), you should consult with the Committee staff to determine the appropriate format in which to produce the information.
11. If compliance with the request cannot be made in full by the specified return date, compliance shall be made to the extent possible by that date. An explanation of why full compliance is not possible shall be provided along with any partial production.
12. In the event that a document is withheld on the basis of privilege, provide a privilege log containing the following information concerning any such document: (a) the privilege asserted; (b) the type of document; (c) the general subject matter; (d) the date, author and addressee; and (e) the relationship of the author and addressee to each other.
13. If any document responsive to this request was, but no longer is, in your possession, custody, or control, identify the document (stating its date, author, subject and recipients) and explain the circumstances under which the document ceased to be in your possession, custody, or control.
14. If a date or other descriptive detail set forth in this request referring to a document is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, you are required to produce all documents which would be responsive as if the date or other descriptive detail were correct.
15. Unless otherwise specified, the time period covered by this request is from January 1, 2009 to the present.
16. This request is continuing in nature and applies to any newly-discovered information. Any record, document, compilation of data or information, not produced because it has not been located or discovered by the return date, shall be produced immediately upon subsequent location or discovery.
17. All documents shall be Bates-stamped sequentially and produced sequentially.
18. Two sets of documents shall be delivered, one set to the Majority Staff and one set to the Minority Staff. When documents are produced to the Committee, production sets shall be delivered to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
