The Honorable Carolyn B. Maloney  
Chairwoman  
Committee on Oversight and Reform  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman Maloney:

House Committee on Oversight and Reform Republicans request the attendance and testimony of Hunter Biden at the April 5, 2022, hearing entitled “It’s Electric: Developing the Postal Service Fleet of the Future.” Mr. Biden is well positioned to inform the Committee about issues pertaining to African cobalt mines—a metal which is essential in the manufacturing of electric vehicles.<sup>1</sup>

An attorney representing Mr. Biden in connection with the FBI’s investigation of his taxes and foreign dealings is copied on this correspondence for your convenience. Please confirm Mr. Biden’s invitation as soon as possible.

Sincerely,

James Comer  
Ranking Member
