Mr. John R. Walker
Transmitted Electronically

Dear Mr. Walker:

The Committee on Oversight and Accountability is investigating President Biden's involvement in his family's business practices. The Committee has identified you as a critical witness in this matter and has reviewed evidence showing you received millions of dollars originating from a Chinese energy company and elsewhere. The Committee invites you to participate in a transcribed interview with Committee staff.

To arrange the transcribed interview, please contact either James Mandolfo or Jake Greenberg with the Committee at (202) 225-5074 by March 24, 2023.

The Committee on Oversight and Accountability is the principal oversight committee of the U.S. House of Representatives and has broad authority to investigate "any matter" at "any time" under House Rule X.

Thank you for your prompt attention to this important investigation.

Sincerely,

James Comer

Chairman

Committee on Oversight and Accountability
