Dear Director Field:

I write to invite you to testify at a hearing before the Subcommittee on Cybersecurity, Information Technology, and Government Innovation, to be held on July 18, 2023, at 1:00 p.m. in room 2154 of the Rayburn House Office Building. This hearing will examine the Defense Department's (DoD) cancellation of a \$374 million contract aimed at replacing its Defense Travel System (DTS) with a commercial, software-as-a-service system. This hearing will also discuss the broader questions that this reversal raises about the DoD's ability to effectively manage its finances and information technology.

To confirm your appearance at the hearing, please contact Committee on Oversight and Accountability staff at (202) 225-5074 by July 7, 2023. Please provide your written testimony at least two business days prior to the hearing. You will have the opportunity to provide a five-minute opening statement prior to answering questions posed by Members.

The Committee on Oversight and Accountability is the principal oversight committee of the U.S. House of Representatives and has broad authority to investigate "any matter" at "any time" under House Rule X.

Sincerely,

Nancy Mace

Chairwoman

Subcommittee on Cybersecurity, Information Technology,
and Government Innovation
