The Honorable Colleen Shogan  
Archivist of the United States  
National Archives and Records Administration  
700 Pennsylvania Avenue, NW  
Washington, D.C. 20408

Dear Dr. Shogan:

The Committee on Oversight and Accountability is investigating President Biden's meetings and communications with certain family members and their business associates during his tenure as Vice President. The Committee is concerned about then-Vice President Biden's role in his family's foreign business ventures and that he may have used his office to enrich his family. For example, recent reporting indicates Hunter Biden traveled to at least 13 countries with then-Vice President Biden.<sup>1</sup> The Committee has also learned that then-Vice President Biden met with at least one of Hunter Biden's associates in Beijing while visiting on official business.<sup>2</sup> The National Archives and Records Administration (NARA) is the custodian agency of Vice-Presidential records, and the Committee seeks information regarding the use of Air Force Two by then-Vice President Biden's family during the Obama-Biden Administration.

The Committee seeks unrestricted special access under the Presidential Records Act (PRA) to certain records related to then-Vice President Biden's foreign travel with his family on Air Force Two and Marine Two. Then-Vice President Biden's misuse of Air Force Two and Marine Two is indicative of yet another way in which the President has abused his various offices of public trust and wasted taxpayer money to benefit his family's enterprise, which consisted of nothing more than access to Joe Biden himself. Devon Archer, a longtime Biden family associate, has stated it is "categorically false" that Joe Biden played no role in his son's foreign business dealings.<sup>3</sup> Flights on Air Force Two around the world to seal business deals are evidence of that role.

The Committee seeks additional information about the Biden family's use of Air Force Two and Marine Two. Please provide these documents no later than September 13, 2023:

<sup>3</sup> Interview with Devon Archer, Tucker on Twitter (@TuckerCarlson), Ep. 13 Part 2. Devon Archer (Aug. 4, 2023; 8:13 AM).

1. All documents and communications from the Executive Office of the President (including but not limited to the Office of the Vice President) to or regarding certain Biden family members or associates (Hunter Biden, Eric Schwerin, Devon Archer, or Jeffrey Cooper) and relating to Air Force Two or Marine Two travel from January 20, 2009, to January 20, 2017;
2. All Air Force Two and Marine Two manifests from January 20, 2009, to January 20, 2017, that include any Biden family member or associates (Eric Schwerin, Devon Archer, or Jeffrey Cooper); and
3. All documents and communications referring to or relating to any security incidents on Air Force Two or Marine Two from January 20, 2009, to January 20, 2017.

Special access to Presidential records may be granted “to...Congress” and “to the extent of matter within its jurisdiction, to any committee... if such records contain information that is needed for the conduct of its business and that is not otherwise available....”<sup>4</sup> Furthermore, the PRA subjects Vice-Presidential records to its provisions “in the same manner as Presidential records.”<sup>5</sup>

The Committee’s need for these Vice-Presidential records is specific and well-documented. The Committee seeks to craft legislative solutions aimed at deficiencies it has identified in the current legal framework regarding ethics laws and disclosure of financial interests related to the immediate family members of Vice Presidents and Presidents—deficiencies that may place American national security and interests at risk. The Committee is concerned that foreign nationals have sought access and influence by engaging in lucrative business relationships with high-profile political figures’ immediate family members, including members of the Biden family. For additional information regarding the Committee’s legislative purpose pertaining to this investigation, the Committee directs you to three bank records memoranda it has released this year.<sup>6</sup>

The Committee on Oversight and Accountability has specific jurisdiction over NARA under House Rule X. Additionally, the Committee on Oversight and Accountability is the principal oversight committee of the U.S. House of Representatives and has broad authority to investigate “any matter” at “any time” under House Rule X.
