The Honorable Scott Bessent
Secretary
U.S. Department of the Treasury
1500 Pennsylvania Ave. N.W.
Washington, DC 20220

Dear Secretary Bessent:

The Committee on Oversight and Government Reform is reviewing the possible mismanagement of the federal government's investigation of Mr. Jeffrey Epstein and Ms. Ghislaine Maxwell, the circumstances and subsequent investigations of Mr. Epstein's death, the operation of sex-trafficking rings and ways for the federal government to effectively combat them, and potential violations of ethics rules related to elected officials. The Committee requests that the U.S. Department of the Treasury (Treasury) produce certain Suspicious Activity Reports (SARs) relevant to the Committee's investigation.

As Secretary, you are authorized to produce SARs to the Committee in pursuit of its investigation.¹ Specifically, it is essential that Treasury produce to the Committee certain SARs to assist the Committee's oversight of the federal government's enforcement of sex trafficking laws generally and specifically its handling of the investigation and prosecution of Mr. Jeffrey Epstein and Ms. Ghislaine Maxwell. This oversight will inform legislative solutions to improve federal efforts to combat sex trafficking and reform the use of non-prosecution agreements and/or plea agreements in sex crime investigations.

To assist the Committee's investigation of this matter, I therefore request that the Department of Treasury produce to the Committee as soon as possible, but no later than September 15, 2025, the following records:

1. All SARs and accompanying material filed in reference to or relating to Mr. Jeffrey Epstein and/or Ghislaine Maxwell.

The Committee on Oversight and Government Reform is the principal oversight committee in the U.S. House of Representatives and has broad authority to investigate "any
